

Mariners Inn Community Art Event August 20-21, Johanson Charles Art Gallery
Featuring the mosaic created by the men of Mariners Inn

The mosaic created by the Men of of Mariners Inn, entitled *Bridge Over Troubled Waters*, documents the process of recovery. This project allowed the men to learn a new art technique, and also had a positive impact on their recovery processes.

Many men were inspired to create individual works of art, in mosaic as well as other media, which were also featured at the exhibition.

The men who created the mosaic, along with Grace and Jennifer, who assisted them with the project.

The event was attended by over 325 community members.
