What Makes Us Unique

The Work Experience Program (WEP) and Incentive to Independent Living are incentive programs awarded to eligible Housing residents in the efforts to support their personal goal of self-sufficiency. The Mariners Inn Housing Program offers these two unique opportunities for residents to acquire new skills, earn money, and save earnings.

Work Experience Program

Trainees are employed by Mariners Inn to work around the facility for a maximum of 20 hours per week for a maximum of 10 weeks per calendar year. Trainees earn state average minimum wage per each hour worked.

Incentive to Independent Living

Upon successful completion of a housing program (MER or TH), a percentage of the Fee-For-Service is returned (minus any money owed) to assist the resident with security deposit, utilities, and/or furniture for their permanent housing arrangement.
